About me

I am a graduate of Computer Science majoring in Informatics Engineering at one of the private campuses in Bandung, namely STTB (SEKOLAH TINGGI TEKNOLOGI BANDUNG) who has high enthusiasm and work motivation and is honest and able to work effectively, ready to work together in advancing the company and of course able to work in a team. or Individual.

Work Experience For 6 years I worked at PT. WARNA JAYA SENTOSA as IT supports and while continuing his undergraduate education by taking employee classes. As for work other than IT support, I also help work as a Warehouse Management with job requirements. Arranging warehouse employees to work according to job desk and managing warehouse conditions to suit applicable HR as well as conducting audits and stock taking. In the last 1 year, I was also ordered by the company to become a web and mobile developer to create inventory applications and sales request applications. The service 2 years has become a task force for all branches of PT. WARNA JAYA SENTOSA.
